Praise for Focus on Value Focus on Value-with its theoretical and practical focus on economic profit fundamentals-is a modern day Graham and Dodd primer on company and equity securities analysis. -Robert S. Hamada, Edward Eagle Brown Distinguished Service Professor of Finance, The University of Chicago Graduate School of Business Now that investors have abandoned momentum and are migrating back to fundamental investing, the market has become a more rational place. This book is a manual for serious investors who believe that identifying growing corporate earning power is the foundation of value creation. Those following its precepts should minimize risk and be rewarded over the long term. -Byron R. Wien, Chief U.S. Investment Strategist, Morgan Stanley Dean Witter Co. Economic profit is one of the most useful managerial tools as well as a key to understanding the valuation of companies. Focus on Value is an outstanding piece of work. It captures the full spectrum of the Metric Wars without ever confusing the reader. The serious student of economic profit will be richly rewarded by reading this excellent book from...
