

Glitter and Glue: A Compelling Memoir About One Woman's Discovery of the True Meaning of Motherhood

Filesize: 9.51 MB

Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

(Dr. Willis Walter)

GLITTER AND GLUE: A COMPELLING MEMOIR ABOUT ONE WOMAN'S DISCOVERY OF THE TRUE MEANING OF MOTHERHOOD

DOWNLOAD

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Glitter and Glue: A Compelling Memoir About One Woman's Discovery of the True Meaning of Motherhood, Kelly Corrigan, 'I loved this book, I was moved by this book and now I will share this book with my own mother.' Elizabeth Gilbert, author of Eat, Pray, Love. From the New York Times best-selling author of The Middle Place comes a new memoir that examines the bond between mothers and daughters. Kelly Corrigan's mother summarised the the division of labour in her family as: 'Your father's the glitter, but I'm the glue.' This meant nothing to Kelly, who left her childhood sure that her mum would be nothing more than background for the rest of Kelly's life. After college, she took off see things and Become Interesting. In a matter of months her savings had dwindled and she needed a job. That's how she met John Tanner, a newly widowed Australian father of two looking for a live-in nanny. There, in that small, motherless house her mother's voice was suddenly everywhere. Each day she spent with the Tanner kids was a day she spent reconsidering her relationship with her mother, turning it over in her hands like a shell, trying to hear whatever messages might be trapped in its shadowy spiral. This is a book about who you admire and why, and how that changes over time.
