HACER PIPI EN LA BACINICA

Little Fig, LLC, United States, 2015. Paperback. Book Condition: New. Deb McQueen (illustrator). 216 x 216 mm. Language: Spanish . Brand New Book ***** Print on Demand *****.My oldest son was fascinated with games. So, of course, I thought of games to play that would make the transition from diapers to big-boy pants fun. The game began by singing a tune and imitating the potty dance on the way to the toilet. Watching me trying to trot with legs held closely together brought tears of laughter to both of us. In the beginning I cut out various shapes of toilet paper and would have him sink the paper shapes as he went potty in the toilet. This allowed him to unknowingly perfect his aim. He is now a grown man with children of his own. When his daughter was ready to transition from diapers I modified the game a bit. Potty in the Potty Chair jingle was created. Animals go potty in all kinds of places. Do you? Kids will be captivated by all of the creative characters like the purple elephant who goes potty in the zoo or the blue dog who goes potty in the grass. Children are encouraged to respond on every page of this colorful children s picture book. Make learning fun while they plink and tink. Tips for potty training success are included. Be sure to learn the Potty in the Potty Chair jingle available free at #plinktink.
