By David S. Linthicum

Pearson Education (US), United States, 2003. Paperback. Book Condition: New. 232 x 178 mm. Language: English . Brand New Book. Linthicum provides an insightful overview of the services-integration issues that will enable you to capitalize on current and future integration technologies. He also dives deep into the key Web services technologies for implementing the next generation integration architecture. Highly recommended for those thinking of moving from traditional EAI to Web services. -- Dr. Ravi Kalakota, CEO, E-Business Strategies Author of Services Blueprint: Roadmap for Execution For a majority of businesses, application integration is an outright failure. Most companies computer systems are labyrinthine at best and self-destructive at worst. With the arrival of Web services, the new service-oriented middleware technology standard, and increasingly complex and challenging problem domains, it s time to take application integration to the next level. In Next Generation Application Integration distributed computing and application-integration expert David S. Linthicum describes the effect that this new generation of middleware will have on traditional application-integration efforts.Using key industry examples and case studies, Linthicum reveals the techniques and practices that are necessary to revolutionize data-sharing for any company--from sole-proprietorship to Fortune 500. In this book you ll find a thorough discussion of...
