GLENN HUGHES: THE AUTOBIOGRAPHY

To read **Glenn Hughes: The Autobiography** PDF, remember to follow the link beneath and download the ebook or have accessibility to other information that are in conjunction with GLENN HUGHES: THE AUTOBIOGRAPHY ebook.

Outline Press Ltd. Paperback. Book Condition: new. BRAND NEW, Glenn Hughes: The Autobiography, Glenn Hughes, Joel McIver, Vocalist, bassist and songwriter Glenn Hughes is a living, breathing personification of British rock, and the arc of his career and attendant lifestyle make for a compelling story. Starting with the Midlands beat combo Finders Keepers in the 1960s, he formed acclaimed funk-rock band Trapeze in the early 70s before joining Deep Purple at their commercial peak. Flying the world in Starship 1, the band's own Boeing 720 jet, Hughes enthusiastically embraced the rock superstar's lifestyle while playing on three Purple albums, including the classic Burn. When the band split in 1976 Hughes embarked on a breakneck run of solo albums, collaborations and even a brief, chaotic spell fronting Black Sabbath. All of this was accompanied by cocaine psychosis, crack addiction and other excesses, before Hughes survived a clean-up-or-die crisis, and embarked on a reinvigorated solo career enriched by a survivor's wisdom. In his autobiography, Hughes talks us through this whirlwind of a life with unflinching honesty and good humour, taking us right up to date with his triumphant re-emergence in current super-group Black Country Communion.
