Vintage. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.0in. x 5.2in. x 0.7in.Original, provocative and possibly prophetic. -- The New York Times When his classic *Within the Context of No Context* was first published, George W. S. Trow parsed television's overwhelming dominance over America's consciousness. In *My Pilgrims Progress*, he returns with a provocative tour of politics and the media to show how 1950 got to be 1998. The son of a tabloid journalist, Trow was raised in the Deepest Roosevelt Aesthetic, and found himself seduced by the ordinaryness of the Eisenhower era. It was a time when the Old World was giving way to the New. Perusing *The New York Times* of February 1950, he gives us America at the peak of its power, with its politicians and celebrities (and the nearly hesitant advent of television) and the fresh terror of the H-bomb. At turns a cultural history, a eulogy, and a provocative commentary on contemporary America, *My Pilgrims Progress* confirms Trow's place as one of our most brilliant and incisive social critics. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
