Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Appropriate for students Grade 5 and higher and all literary enthusiasts. This is a preserved collection from 1968-1975 - the author s writings from 7th grade to just after high school - before entering college - and before coming to the United States. These poems helped the author win Best Poet of the Year awards from a local newspaper in Dhaka Bangladesh in 1973 and 1974. Some are poems, some songs, some just thoughts with a rhythmic pattern. The progression of a young mind from 7th grade to high school is apparent in the writings presented in chronological order. Here is a segment written in 1974: Evening crept into the day And mother s eyes were wet. I saw her move her lips and say, Isn t it beautiful, to see the sun set? Away from her, I turned my eyes And looked at the eastern sky, Isn t it better, to see it rise? I said, and I heard her cry.
