Createspace, United States, 2013. Paperback. Book Condition: New. Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book, eight brief scenarios about nine imaginary people will be presented. Even though the individuals will not have been modeled after anyone in particular, their intent will be to mirror what many people in this world consider to be the very important issues of this life. The point that will be made with each scenario, however, is that every person NO MATTER WHAT will someday die. Therefore, if there is such a thing as an afterlife and if that afterlife lasts forever, then rational intelligent human beings to be rational and intelligent should be at least a little bit concerned about that life after death. While the topics of this book are very serious, playful names have been used to describe the type of each person being discussed. For example, scenario one is about Abercrombie Gotitall. With a name like that, it should be obvious that he is very successful. Scenario two is about Barking Godislove. His main claim is that a loving God would never impose eternal condemnation on anyone. Scenario three is about Causing Imsogood. She believes that it is very important to be a good person and to be involved in positive civic causes. Scenario four is about Doing Moregoodthanbad. Neither saint nor devil is what seems to be most important to him. Scenario five is about Eternity Doesnotexist. Eternity tends to rely on the so-called smart people in this world to let her know the truth about the afterlife. Scenario six is about Foolish Religionisforothers. When he considers the costs of a favorable afterlife, he cannot bring himself to make WHAT HE THINKS are the necessary lifestyle changes to have...
