

## Controversies of the Sports World

---

By Douglas T. Putnam

Greenwood Press. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 9.2in. x 6.1in. x 0.8in. Contemporary life in the United States would be difficult to understand without examining the pivotal role sports have played in it. Controversies of the Sports World is designed to take readers of all ages into the heart of the tensions and conflicts that arise from the wide-ranging enterprise that now dominates the lives of millions of people. The controversies explored include such issues in sports as recruitment procedures, steroid and other drug use, discrimination against women, discrimination against African Americans, and violence. Each of sixteen chapters analyzes the background and current status of a specific controversy illuminating how the games we play and watch affect, and are affected by, the world beyond the playing fields. Putnam presents opposing arguments on the sources and nature of each controversy, providing readers with an understanding of the causes and effects of sports controversies. He also presents a picture of how the people who inhabit the sports world—athletes, coaches, parents, agents, fans, team owners, corporate sponsors, and public officials—pursue their often clashing agendas in a manner that makes conflict inevitable and ongoing. ### Reviews

*It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest pdf for ever.*

*Absolutely among the best publications I have got to go through at any time. It really is written in straightforward phrases rather than hard to understand. It has been designed in an extremely straightforward way which is just soon after I finished reading this publication through which basically modified me, altered the way I believe.*
