CARBON STRATEGIES: HOW LEADING COMPANIES ARE REDUCING THEIR CLIMATE CHANGE FOOTPRINT

University of Michigan Press, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Climate change's impacts cut across all functional areas of a business. The systematic approach proposed in this report will be very helpful to business managers concerned with integration of business activities in operations, marketing, finance, and human resources to support a consistent, pro-active strategic response to climate change." --Karen Flanders, Director, Corporate Responsibility, The Coca-Cola Company " Carbon Strategies captures the risks, and opportunities, for companies in an increasingly carbon-constrained marketplace. This book will be invaluable to any executive seeking insight into strategies for success in this changing business climate." --William L. Thomas, Americas Environment Head, Clifford Chance US LLP "For any manager who has been charged by the CEO to develop a climate change strategy, this book is for you. It offers plainspoken wisdom garnered from over 30 companies on how best to address climate change as a business issue. It takes much of the guesswork and expense out of testing unproven ideas, and puts you on the right path towards addressing this critical issue in a way that benefits the bottom line and the environment." --Fred Krupp, President, Environmental Defense "In order to preserve the stability and growth of the world's economy and all of the opportunities it affords, we must protect the global environment. Climate change represents one of the most significant issues of risk and reward facing CEOs and investors today. Hoffman offers a very helpful framework for the analysis." --Michael Klein, Chairman and Co-Chief Executive Officer, Citi Markets & Banking Vice Chairman, Citibank International PLC "Future generations will look back with either admiration or despair, judging how well we, in these early years of the twenty-first century, addressed critical climate-change issues. Over the past six years,...
