Have you ever thought that maybe there is something better out there than a doctor prescribed antibiotic for a common problem? Have you thought of the possibility that maybe what we eat can be our medicine, and not just our food? If you have wondered any of these things, then this book for you. Learning about herbal antibiotics is the first step in a healthier lifestyle. Many natural antibiotics have more side effects than we know what to do with, and what many people don't realize is that many natural antibiotics have more health benefits than we would know what to do with too. They are miraculous and incredible solutions to a common problem that people who were born in the Western world suffer on a daily basis. Why Should You Purchase And Read This Book? => 1.
