Brand New Book ***** Print on Demand *****.Life in college has become a nightmare for some students. The cost of living has been hiking and students find it difficult to meet their needs with some of them opting to defer from school to look for money to be able to pay their fees, accommodation or basic needs. Some students are generating enough income from online jobs to finance their education without the need for financial support from their parents. They have been able to convert their spare time into factual cash. Online jobs for students doesn t only help them while in school, but they also earn their living from these jobs even after they graduate from the university. This book will teach students how they can get started and make money online during their free time. What You ll Get Inside: CHAPTER 1. ONLINE JOB LIST FOR STUDENTS - Design and multimedia - Writing and translation - Web Development jobs - Sales and Marketing - Software Development - Administrative Support - Business Services - Networking and Information Systems - Customer Support -...
