## DARK SYMPHONY (THE CARPATHIANS (DARK) SERIES, BOOK 9)

Thorndike Press, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Welcome to the world of Christine Feehan, who has thrilled legions of fans with her seductive, sensual romances about the Carpathians. Now, she presents the long-awaited story of Byron, one of the oldest of the Carpathians, and the one woman meant to be his. He was Carpathian, a species as old as time. He could shift shape and soar high, run with the wolves, yet without light to his darkness, he could so easily give in to the whispers of temptation, the call for power and turn wholly evil-to become the undead, as many of his kind had chosen to do. He traveled the world, hunting the vampire, seeking to maintain a balance of life in a world of bleak loneliness. And then he heard the music. Blinded and scarred in a terrible accident, Antoinetta Scarletti made music that thrilled the world with its beauty and passion. Descended from a long line of psychics, Antoinetta has learned to rely on her other senses to "see" the world around her, but nothing could have prepared her for Byron. He came to her, drawn by her music, and became her secret obsession. Others fear him, sensing that he is dangerous-a predator-but for Antoinetta he is her ultimate fantasy, her dream lover. He woos her with kisses full of erotic allure, whispering that she is his light, his salvation. Byron has waited an eternity for her, and he will let nothing stand between him and the woman born to be his lifemate.
