Createspace, United States, 2014. Paperback. Book Condition: New. Murat Ukray, Paul Orban (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Strumming a harp while floating on a white cloud might be Paradise for some people, but it would bore others stiff. Given an unlimited chance to choose your ideal world, what would you specify-palaces or log cabins? I ll take beer, son, and thanks again for the offer. As you can see, I m kinda down on my luck. I know what you re thinking, but I m not really on the bum. I usually make out all right-nothing fancy, mind you, but it s a living. Odd jobs in the winter and spring, follow the harvests in the summer and fall. Things are slack right now. You? Electronics, huh? Used to know a fellow in electronics. His name was Joe Shannon, used to work for Stellar Electric up in Fremont. Young fellow, not more n twenty-five or so. Rail thin, wispy hair, serious look-you know, the one suit, absent-minded type. Joe was a brain. A triple-A, gold-plated, genuine genius. Had a wife named Marge. Not beautiful but pretty and a nice figure and a cook you never saw the likes of. Like I say, she was married to Joe but Joe was married to his work and after you d been around a while, you could tell there was friction. But that ain t the beginning.
