Thomas Nelson. Paperback. Book Condition: New. Paperback. 240 pages. A clear, in-depth biblical explanation of the origin, history, and significance of the Middle East conflict. The current conflict in the Middle East began long before the creation of the state of Israel in 1948. This fascinating insight into the beginnings of the conflict also explains what about the land is so important today. In addition, Wright sheds light on the conflicting Jewish, Christian, and Islamic perspectives and answers the question, Does God play favorites This item ships from multiple locations.
