THE WILDERNESS, THE

The University of Alabama Press. Paperback. Book Condition: new. BRAND NEW, The Wilderness, The, D.N. Stuefloten, A novel that works on our nerves, "The Wilderness" examines human flesh in all its gruesome fascination: disease, madness, hunger, the taste of flies in the mouth. By day, the story describes the winding streets, filth and poverty of the Indian coastal town of Cochin, as seen from the carriage of a three-wheeled trishaw the ring of its bell a lament and a warning....

Reviews

It in one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Camylle Larson

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).
