This time she was buried alive! She goes to school with jittery nerves because the last time she had a bad dream, things quickly got way too real for comfort. Katie s Michigan history class starts out normally enough, despite the appearance of a mysterious new student, Zach. Before Katie can figure out if Zach is hiding fur and fangs, she and her friends, including Zach, are jerked back in time once again. They re deposited beside the Hopewell Burial Mound, one of the sacred sites of Michigan s famous ancient mound builders. An accident brings Katie face-to-face, or dirt-to-face, with her burial nightmare. The magical pen that has the power to lead them home starts malfunctioning, sending them on a whirlwind tour of Michigan s Native American tribes: Ottawas, Ojibwas, and Hurons. Katie is becoming more suspicious of the mysterious Zach, who just might be able to transform into a wolf. The kids are tired, hungry, and cold. If the pen can t be fixed, how will they ever find their way home? When you re trapped in a Michigan history nightmare, school never looked so good! It is recommended that the Michigan History Nightmares Series be read in sequential order. Dream sequences are written in italics.
